

Hi all

Attached is the **AO availability** list for the outdoor season. Please send in your availability as soon as possible to Ian Reid. If you are unsure of your availability please reply and indicate your uncertainty. At least you will be kept in consideration and you can always decline the invite.

Also you are invited to apply for any of the the following events not on the AO list:

Mark Graham Memorial - Hamilton - May 7

contact Dan Clark danannjake@aol.com

Asian Games - Etobicoke - June 7

contact Anthony Biggar anthonybiggar@athleticsontario.ca

CE Cup - Ottawa - June 19/20

contact Peter Hocking hockingp@live.ca

Ontario Legion - London - July 3/4

contact Jacquie Downing jacquieandwynn@sympatico.ca

Flying Angels International Classic - Brampton - July 4/5

contact Earl Letford flyingangelstrack@hotmail.com

Notes: Officials are reminded that if accommodation is required for an event, the meet organizers need to be informed when you receive your invitation. Information on eligibility for travel and accommodation expense reimbursement is included in the AOO Terms of Reference.

<http://athleticsontario.ca/wp-content/uploads/2013/04/AO-Officials-document-Jan-27-2015.pdf>

It should be noted that officials travelling to meets both in Ontario and out-of-province are not normally eligible to claim meals on route to events.

Thanks in advance for your responses

Peter

Officials,

As the AOO Director of Availability, I'm collecting officials' availability for the upcoming 2015 outdoor season of AO Championship meets:

Date	Meet	Location	Host Club
Sunday May 9	10,000m Championships	London	London Runner
Sunday May 31	10km RW Championships	Toronto Island	Ontario Racewalkers
Saturday June 13 – Sunday June 14	Junior/Senior Championships & BMY CE Championships	Windsor	Windsor Alumni TC
Friday July 17 – Sunday July 19	Bantam/Midget/Youth Championships, Junior/Senior CE Championships & Canadian Masters Championships	St Catharines	Niagara Olympic/Guelph TFC

Note that the St Catharines meet is the weekend before Pan Ams. With the Masters and CE events, it will be a busy three days, so there will be a need for a lot of officials.

Please send to me (ireid1500@yahoo.com) the following information:

- Contact info (email and hometown)
- Meets for which you are available
- Qualified disciplines (and qualification level) in order of preference

I will confirm receipt of all submissions.

Please note that availability does not constitute meet confirmation so please respond in a timely manner to the invitation from the relevant meet director when sent in advance of each particular meet. Without this confirmation, we won't know if we are deficient in any areas or whether you are still available to officiate.

The AOOEC will make up the officiating assignments based on these confirmations in order to ensure that all events will be suitably covered by qualified officials.

If you are seeking mentoring, please ensure that Jacquie Downing is aware. We will make every effort to ensure people are assigned their preferred position but may need to make use of other qualifications you have.

Thanks in advance.

Ian Reid

Speed River Inferno NTL meet

The AOOEC is also helping the Speed River team coordinate officials for their Inferno meet which this year is joining the National Track League circuit.

The meet will be held at Alumni Stadium on the University of Guelph campus on the evening of Saturday May 30.

The meet will have several track events as well as high jump and long jump.

To supplement their local crew of officials, they are looking for a handful of experienced senior officials to anchor their teams.

If you are available and interested, please drop me a line at ireid1500@yahoo.com.

Please note that availability does not automatically mean confirmation and that this meet is not under AO auspices. We will work with the meet director to select officials based on qualifications, meet requirements and location with respect to Guelph.

Those selected will be contacted by the meet, and they will also detail travel policy, directions to the stadium and meet schedule.
