

COACH TO LEADER CHALLENGING CONVERSATIONS

January 9 - 10, 2018

Presenter: Garry Watanabe, Performance Coaching

It's a new year and it's time to focus on what skills you will be developing with your own professional development in 2018!

Challenging Conversations is consistently an area coaches and sport administrators say they have challenges. Working on building skills in this area will help you prepare for many of those performance reviews, athlete selections, sport reviews and daily coaching within your roles. Deliberate development of your Soft Skills can be a difference maker in taking your coaching from good to great!

TECHNICAL LEADERSHIP WORKSHOPS: MANAGING RISK & BUDGETING AND FINANCIAL

January 16th, 2018

Module 1: Managing Risk

9:30am - 12:30pm

Module 2: Budgeting & Financial Statements

1:00pm - 4:00pm

Facilitator: Paul Varian, CAPITIS CONSULTING

MODULE 1: MANAGING RISK

Attend this workshop and learn how to take a systematic approach to managing risk in your sport organization. You'll discover how risk management is not a complex world that only actuaries understand, but a pragmatic exercise in common sense! Paul Varian will outline a simple process you can go through to identify and manage risks in your organization.

MODULE 2: BUDGETING & FINANCIAL STATEMENTS

This workshop strips the whole area of finance down to its most basic form and walks you through some key elements of finance that are quintessential in modern-day technical planning and reporting. You'll learn how to read and interpret core financial statements and understand how your technical program affects them.

Early Bird Fee: Both Modules for \$50

Early Bird ends December 20th

Standard Fee: Both Modules for \$75

Standard Fees begin December 21st
