Second, third, etc. teams from clubs will not influence the scoring.**

Relay Rules:

In Provincial Championship events the four athletes on the team shall wear identical club tops. Small differences in design owing to the uniforms having been manufactured at different times or by different suppliers are permitted. In case of a dispute, the Technical Delegate, or in his/her absence, the Track Referee, shall decide.

Clubs must enter teams in the appropriate age category. Example – a team made up of 4 Midgets must enter the Midget category and **may not** move up to the Youth category. An athlete may compete in different age groups in different relay events only. For example, an athlete may not compete in the midget boys' 4x200m and the junior men's 4x200m.

Relay Declaration forms will be available at the registration area or meet directors' table. Completed declaration forms with names of the runners in running order, must be turned in to the meet organizers no later than 45 minutes prior to the published or announced start time for the respective events. Only athletes whose names were included on the list of potential relay runners sent to the Entries Chairperson by 3:00pm on Friday January 12 are eligible.

Seed Times:

Indoor 2017, outdoor 2017 and current indoor 2018 season performances achieved in AO- sanctioned or approved competitions will be accepted. Outdoor times will be converted to indoor times (e.g. 0.5s added to outdoor 200m time; 1.1s added to outdoor 400m time). Estimates will not be accepted.

If using converted times, please indicate where and when the performance was achieved when entering the seed into Trackie. Please also email this information to randolphfajardo@athleticsontario.ca to expedite seed validations. **Any seeds that fail to produce validation of the performance will result in a NT.**

* Seeds for **field** events do not need to be converted or verified.*

As a guide for coaches who need to decide which performance to submit for seeding purposes, please see the conversion chart below.

Performances from similar events will be accepted and will be converted:

Event	Acceptable Alternatives for Seed Purposes
60m	50m indoors; 100m outdoors
150m	200m indoors; 200m outdoors
200m	150m or 300m indoors; 150m, 200m, or 300m outdoors
