

WOMEN AND GIRLS LEADERSHIP & SPORT CONFERENCE

YORK UNIVERSITY • MAY 3 & 4, 2019

RESILIENCE

The Women and Girls in Leadership and Sport Conference is set on three thematic pillars of resilience, leadership, and breaking barriers. The objective of the conference is to educate, support, and empower women, girls, and allies to advance females in sport and leadership roles.

BREAKING BARRIERS

The conference features speakers and workshop clinicians that will share their lived experiences and critical life skills needed to develop female leaders of tomorrow. We hope you join us for the #WGLSC2019 and commit to developing our next generation of leaders!
