## Quest for Gold Overview

Quest for Gold – Ontario Athlete Assistance Program 2019-2020 (OAAP) is funded by the Government of Ontario, through the Ministry of Tourism, Culture and Sport (MTCS), and operated through the Sport, Recreation & Community Programs Division. The overarching goal of the Quest for Gold – OAAP is directly related to the High Performance Sport goal of the Canadian Sport Policy – that Canadians are systematically achieving world-class results at the highest levels of international competition – by improving the performance and number of Ontario athletes performing at the national and international level, thereby contributing to the improved performance of Canada at international competitions.

Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The intent of the OAAP is to provide funding to individual athletes in the sport's 'Train to Train' and 'Train to Win' categories based on their demonstrated commitment to high performance sport, allowing them to continue to pursue athletic excellence at the highest levels of national and international competition. **Only those athletes that meet the required minimum performance standard detailed in this Selection Criteria will be considered for this program.** Ideally, an athlete will first receive a Quest for Gold "Ontario Card" for 1 to 3 years, which will allow them to train towards the goal of a national team position in subsequent years. Once an Ontario athlete reaches the national level and becomes a recipient of Sport Canada's carding program, they become eligible for the Quest for Gold "Canada Card". Athletes who are not planning to train towards this level of competition should not apply for this program.

## 2.0 How does it work?

In accordance with the OAAP guidelines, **ATHLETICS ONTARIO** develops sport-specific selection criteria and forms a Selection Committee that will apply these criteria. The top-ranked athletes, based on the criteria, will be awarded Ontario Card status in 2019-2020. This Selection Criteria has been approved by the Board of Directors and reviewed by MTCS staff. Nominated athletes will be required to sign and comply with an Athlete Agreement between the athlete and **ATHLETICS ONTARIO**. Carding status will be for one year starting April 1, 2019 ending March 31, 2020.

**2.1** For 2019-2020, the MTCS has allocated **ATHLETICS ONTARIO** a total of ## Ontario cards (split evenly between male and female Cards).

| Category  | Number of cards  |
|---|--|
| Ontario Full Cards (Junior and Senior athletes) | TBD (able-body)<br>TBD (para)  |
| Ontario Half Cards (Junior and Senior athletes) | TBD<br>Note: Half cards will only be used if there are remaining full cards. |
| Injury, Illness or Pregnancy Cards              | TBD  |

An athlete's age will be determined as of December 31, 2019

**2.2** **ATHLETICS ONTARIO** is not obligated to assign all Ontario Cards if there are an insufficient number of athletes who have demonstrated potential to be considered for future National Teams.

**2.3** The Selection Committee, as approved by the **ATHLETICS ONTARIO** Board of Directors is comprised of the following members:

TBA

**2.4** How much funding is available?

The exact level of funding for the 2019-2020 carding year will be determined by the MTCS after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released by March 31, 2020.

**2.5** How will the **ATHLETICS ONTARIO** Selection Committee decide who receives funding?

The **ATHLETICS ONTARIO** Selection Committee will use the Ministry of Tourism, Culture and Sport Eligibility Criteria and the Sport Specific Selection Criteria detailed below to determine which athletes will be nominated for Ontario Card status in 2019-2020.

### **3.0 Ministry of Tourism, Culture and Sport Eligibility Criteria**

To be added by Ministry.

### **4.0 Athletes funded through the Sport Canada AAP**

To be added by Ministry.

### **5.0 National College Athletic Association (NCAA)**

On August 1, 2013, the NCAA revised their By-law that previously prevented an athlete from accepting grants from a governmental entity, such as Quest for Gold. Despite this change, any athlete considering an application to an NCAA institution is strongly encouraged to contact the NCAA Eligibility Center prior to applying for QFG funding.

The onus is entirely on the athlete to determine the impact of accepting OAAP funding on current or future NCAA eligibility and to decide whether or not to accept OAAP funding. The athlete will be required to acknowledge this onus and responsibility when signing the OAAP Ontario Card application form and agreeing to the related terms and conditions of the program. Athletes are strongly encouraged to contact the NCAA Eligibility Center to determine the impact of Quest for Gold - OAAP funding on current or future eligibility for a NCAA scholarship or on eligibility to compete in a non-scholarship NCAA sport.

## 7.0 Breaking a Tie

Ties for the final position(s) in the Quest for Gold program will be resolved on the following basis:

- In favour of the athlete who places highest in the 2019 Ontario Outdoor Championships if the athletes are in the same event.
- If the tie is still not broken, the tie will be resolved in favour of the athlete with the best IAAF Scoring Table score of the average of the two best performances submitted as part of the application

## 8.0 Failure to Meet Selection Criteria for Health-related (injury, illness, pregnancy) Reasons

### CRITERIA:

- In order for an athlete to receive an injury card they must have been on the 2018-19 QFG Program

### PRE-COMPETITION:

- If an athlete is applying for an Injury, Illness, or Pregnancy card and did not compete in the 2019 Athletics Championships (AC or AO), they **must** have been granted an exception from AO by submitting the Exemption Form.

All requests for exemption must be made in writing (or email) a minimum of five working days prior to the start of the Championship to the Athletics Ontario liaison.

Athletes cannot compete for five working days following the championships. This request for exemption **must** be accompanied by a letter from a Medical Doctor (excludes physiotherapist, chiropractors and/or massage or athletic therapists).

### DURING COMPETITION:

If an athlete is injured during a competition, they may apply for an injury card provided that they submit within five working days of the event/ Championship both:

## 9.0 Alternates

**ATHLETICS ONTARIO** will also nominate alternates to those athletes nominated for Ontario Card status. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates will be published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete's position, provided that:

- Alternate is substituted within 2019-2020 fiscal year;
- An alternate meeting all requirements is available from the same category/discipline/card level (Full/Half);
- Funding for athlete being substituted is still available within fiscal year (e.g. full funding for card has not already been paid out to athlete no longer in program).

## 10.0 To Apply

All required information must be submitted no later than **TBD** online at the following link: **TBD** (See Appendix B for Checklist)

10.1 Any athlete requesting a “Residency Exception” must submit this information by **TBD** as detailed above.

10.2 It is the sole responsibility of the athlete to provide a full and complete application that meets all stated requirements. **ATHLETICS ONTARIO** will neither review applications in advance of the deadline in order to make applicants aware of any missing/incorrect information and/or attachments nor make corrections on behalf of the athlete. Any revisions on the part of the athlete will only be accepted prior to the posted submission deadline.

Applications that are sent directly to the Ministry of Tourism, Culture and Sport rather than to **ATHLETICS ONTARIO** will not be considered valid or to have been received by the **ATHLETICS ONTARIO** deadline.

10.3 Confirmation of application receipt will be displayed at the end of the online application in the form of a “thank-you” note. Confirmation emails will NOT be sent to individual athletes, but they may contact the Manager, High Performance on an individual basis.

The Sports Organization – Athlete Agreement will only come into effect if an athlete is selected and accepts carding status through the OAAP program. Athletes who fail to return a signed Athlete Agreement by the deadline date will not be carded.

10.4 **ATHLETICS ONTARIO** will publish or make known a draft list of athletes nominated for Ontario Card status by no later than **TBD**.

**\*Note:** In the event of a conflict or inconsistency between the MTCS eligibility requirements detailed in the MTCS binder provided to PSO/MSOs and duplicated in the Athlete Handbook provided to each nominated athlete and the eligibility requirements listed in the PSO/MSO Athlete Selection Criteria Document prepared by the PSO/MSO, the MTCS Binder/Athlete Handbook shall prevail.

## 11.0 Appeals (Subject to Change based on Ministry Approval)

Athletes who have not been nominated for an Ontario Card by **ATHLETICS ONTARIO** Selection Committee or who have been nominated for a ‘Half Card’ versus a ‘Full Card’, where applicable will be allowed to appeal that decision by filing a “Notice of Appeal” with MTCS. Appeals will be heard by an Appeals Committee comprised of representatives from the sport community, selected by the MTCS.

Grounds for appeals will be limited strictly to issues related to:

- A) Whether or not the Selection Committee has completed the selection process in accordance with its own published selection criteria and related procedures;
- B) Whether or not the Selection Committee applied the selection criteria in a manner that was free from bias, discrimination and/or conflict of interest.

Issues related to the specific content or selection requirements contained in the **ATHLETICS ONTARIO** Selection Criteria are not grounds for an appeal and should therefore be discussed directly with the leadership of **ATHLETICS ONTARIO**.

Please note that before an athlete can file a Notice of Appeal, he or she must first ask **ATHLETICS ONTARIO** for reasons explaining why he or she was not nominated for an Ontario Card.

If the athlete is not satisfied with the **ATHLETICS ONTARIO**'s response, the athlete may submit a **Notice of Appeal**, found below. A Notice of Appeal will only be accepted from the athlete or their parent/guardian on the MTCS-provided template (typed or hand-printed, no hand-written entries) through email, regular post, registered mail, courier or delivered in person. One appeal cannot be written on behalf of multiple athletes. The Notice of Appeal must be

received by MTCS by noon on the deadline day. Appeals that are delivered personally or by courier shall be deemed to be received on the date of delivery.

Once MTCS has received the Notice of Appeal, it will share it with **ATHLETICS ONTARIO**, who will then submit a “**Response**” with MTCS by a specified deadline. The Response will outline why **ATHLETICS ONTARIO** believes that the Selection Committee’s decision not to nominate the athlete should be upheld by the Appeals Committee. MTCS will share the **ATHLETICS ONTARIO** Response with the athlete.

If, after receiving the **ATHLETICS ONTARIO** Response, the athlete believes that **ATHLETICS ONTARIO** has raised new or additional reasons to justify the Selection Committee’s decision not to nominate the athlete for an Ontario Card, then the athlete will have an opportunity to file a “**Reply**” with MTCS, responding to these additional reasons. The Reply must be limited to these additional reasons and cannot be used to make submissions already raised in the Notice of Appeal, or that the athlete neglected to include in the Notice of Appeal. The Reply will only be accepted on the MTCS-provided template.

Once MTCS receives the Notice of Appeal, the Response, and the Reply (if applicable), it will provide those materials to the Appeals Committee. The Appeals Committee will discuss all appeals at once. During its review of the appeals, the Appeals Committee reserves the right to request additional information from both the athlete and **ATHLETICS ONTARIO**.

After reviewing an appeal, the Appeals Committee will have the authority to:

1. Direct **ATHLETICS ONTARIO** to redo the selection process using the correct criteria/process and submit a new list of nominated athletes;
2. Deny the appeal; or
3. Allow the appeal and nominate the appellant for carding status.

Once the Appeals Committee has reached its decision, it will contact the athlete and **ATHLETICS ONTARIO** in writing to communicate its decision and the reasons therefore.

An athlete who has had his or her appeal denied is not permitted to submit a second appeal to the Appeals Committee on the same or different grounds.

**Note:** **ATHLETICS ONTARIO** is encouraged to resolve disputes or disagreements informally with athletes who have not been nominated to avoid, wherever possible, formal appeals.

**11.1** The deadline for athletes to submit an “**Athlete’s Notice of Appeal**” to the Appeals Committee is **TBD**.

**11.2** Appeals must be completed on the Notice of Appeal template below and will be directed to:
