

TRACK & FIELD COACHING OPPORTUNITIES

The **Hamilton Olympic Club** (established 1926) is the oldest track & field organization in Canada. Our mission is to provide a positive and supportive environment for both recreational and competitive athletes regardless of age or ability and compete with distinction at the provincial, national and international levels of competition. Our Club is based at the newly renovated Ray Lewis Track & Field Centre (Mohawk Sports Park) Hamilton, which has recently received a total \$1M investment including a new Beynon high performance track surface, accessibility improvements and new program equipment.

The Hamilton Olympic Club is experiencing a rapid period of growth and most of our training groups are at capacity so we are in need of additional coaching staff in all age groups and event categories.
