Big doings in Irvine - Mary Sauer joins the 15 foot club and more posted by Bubba Sparks :

"Howdy All:

Our very own STAR Athletic Club (USATF #336) hosted it's fifth and final All Comers Pole Vault meet today. Always a fantastic place to vault, we had some BIG marks just the week before nationals. The event was topped by Mary Sauer's HUGE PR of 15' 1 1/2" (4.61m), a PR for Canadian record holder, Stephanie McCann, at 13' 9 3/4" (4.21m), as well as a season best for Mel Mueller at 14' 5 1/2" (4.41m). In the crowd were UCLA guru, Anthony Curran and family, Vince Beresford, Borya Celentano and Lesa Kubishta, who opted for a long practice session the day before and skipped this event. For the past 14 years, STAR AC or UC Irvine has scheduled these competitions throughout the year when no other meets were in the area, and have produced many Olympic and National Qualifiers as well as countless PR's.

**SIGNIFICANT RESULTS:**

- 1) Mary Sauer 15'01 1/2" (4.61m)
- 2) Mel Mueller 14'05 1/2" (4.41m)
- 3) Stephanie McCann CAN 13'09 3/4" (4.21m)

3.86m 4.01m 4.11m 4.21m 4.31m 4.41m 4.51m 4.61m 4.66m

Sauer	P	P	P	X	X	OX	X	OX	OOO
Mueller	P	P	P	X	OX	OOX	OOO		
McCann	O	OOX	OX	X	OOO				

**FINAL NOTES:**

Sauer was VERY close at 15' 3 1/2" (4.66m) on her first as was McCann on her first at 14' 1 3/4" (4.31m). Mel used the meet as
