

2019 Athletics Ontario Indoor Track and Field Championship Meet #1 Volunteer Information

Athletics Ontario is hosting the Provincial Indoor Track and Field Championships on **Saturday January 19th and Sunday January 20th, 2019 at the Toronto Track & Field Centre (York University Campus)** and we are looking for friendly, personable, and enthusiastic volunteers with a can-do attitude. Volunteers will have a unique opportunity to witness spectacular achievements of some of Canada's future Olympians. An event of this scale and scope would not be possible without the dedication and support of people like you!

This indoor event will include opportunities for volunteers to help out where the action happens - on the track, at the throwing events, and watching athletes reach great heights, distances and speeds!

All volunteers will receive the necessary training on the day of the events in advance of the Championship competition. If you are going to be late, cannot make the set date, and/or become ill, please notify us within a reasonable time (preferably 24 hours in advance or more).

If you haven't yet completed your on-line volunteer request, please visit:
