FEES: \$10.00 Cash upon registration

CHECK IN/ MEET START:

Competition will start at 5:00pm. Athletes are permitted on the runway at 4:00pm.

Only registered athletes will be permitted in the competition area.

Coaches must:

- Coaches must be a member in good standing of Athletics Ontario which includes having signed an assumption of risk waiver

Athletes must

1. Be registered with Athletics Ontario and have signed the Athletics Canada Assumption of Risk Waiver
 2. Agree to the meet waiver during registration
 3. Complete & submit a pre- health questionnaire online. Details will be emailed to each athlete upon confirmation of entry. Deadline to complete questionnaire will be Wed Aug 19 at 11:59pm
 4. Provide complete & accurate contact information that can be shared with public health authorities if requested upon registration.
 5. Answer COVID-19 wellness questions at the entrance gate
- It is expected that anyone feeling unwell or anyone having suspected or known exposure to COVID-19 will not attend this meet. Please be responsible & keep everyone safe.
 - No spectators are allowed in the competition area (inside the fence line).

FACILITY RULES:

- A minimum 2m physical distance between individuals is to be maintained at all times when possible. If a 2m physical distance cannot be maintained between individuals, masks must be worn (athletes in competition excepted).
- Wearing a mask is strongly encouraged at all times for athletes (when not warming up, competing or cooling down), coaches, officials, volunteers & spectators.
- Athletes, coaches, officials & volunteers must keep their gear a minimum of 2m apart & must not share drinks or food.
- There will be NO washroom facilities available on-site.
- Hand sanitizer will be available at the entrance and exit of the competition area..
- There will be no defined warm-up area in the competition area.

COMPETITION STRUCTURE:

A system of rotating disinfected tarps will be used between each athlete. Athletes are welcome to provide their own tarp, but will be responsible for tarp placement. No additional time will be allotted for individual tarp placement. Only the athlete will be permitted to touch their own personal tarp.

All equipment that comes into contact with an athlete will be disinfected; this includes, but not limited to crossbar, standards etc.

All attempts will be made to ensure the safety of our athletes, coaches and any spectators.
