Competition Details

Schedule:

The schedule is subject to minor adjustments. Please refer to the championship webpage for all up to date information: <https://athleticsontario.ca/event/ontario-u18-open-athletics-championships/>. A revised schedule will be posted on the Saturday following the regular entry deadline. A final schedule will be posted on the Monday prior to the start of the championship.

Check-In Procedure:

Athletes entered in field events must check in with officials at their event site before their respective event begins. Failure to check in with officials before the event starts will result in them being removed from that specific event. Picking up bib numbers does not constitute a check-in.

Athletes in track events simply need to arrive at the start line before their event to be organized and placed on the start line by officials. Heat sheets will be posted by the start line area for each track event, so they know what heat and lane they have been assigned.

Please note that the 200m on Sunday will have a declaration requirement. Athletes that intend to race the 200m will need to declare at the declaration desk by the entrance to the fieldhouse. If an athlete does not declare, he/she will be scratched from the event

Track athletes in distance races should arrive 15 – 30 minutes before the start of the event to pickup their hip number from officials. Two hip numbers will be given to athletes and must be worn on the right hip and the upper left side of the chest.

Awards:

Gold, silver, and bronze medals will be awarded to the first three finishers from Ontario in each event and relay.

Non-Ontario athletes will be eligible for medals. These non-Ontario athletes will not offset medal placements for registered Ontario athletes (example: a non-Ontario athlete that places first in an event will receive a gold medal. If second overall was a registered Ontario athlete, him/her would also receive a gold medal as they were the first overall registered Ontario athlete. The process continues until three registered Ontario athletes are awarded medals).

Scoring:

The top 6 athletes in each age division and championship event will earn point for their clubs as follows:

1 st – 7 points	2 nd – 5 points	3 rd – 4 points	4 th – 3 points
5 th – 2 points	6 th – 1 point		

Lane & Heat Assignment:

In individual track events, lanes, heats, and sections will be assigned according to the rules of WA/AC/AO.

In all championship relay races, the heats will be assigned based on seed performance. In each heat, there will be a draw for lanes (randomized lane assignments). Lane 1 will remain vacant where applicable.

A list of heats and lane assignments will be posted at the start area for each event.

Protests:

All Protests must be made as outlined in WA rule 146. In all cases, protests must be filed within 30 minutes of the official announcement or release of the results. If no protest is received within the above-mentioned time limit, the result as released will stand. If a protest changes a result, 30 minutes will be allowed following the announcement or release of the decision for appeals to be brought forward. The decision of the referee may be appealed to the Jury of Appeal whose decision is final. The cost of \$25.00 will be returned if the protest is upheld or not considered frivolous by the Jury.

Seed Times:

Indoor 2024 (starting October 1, 2023), outdoor 2024 and current 2024 indoor performances appearing on the Athletics Canada rankings will automatically be accepted.

Outdoor performances must be converted for use as an indoor seed. Times will be converted to indoor times using the chart below (e.g., 0.5s added to outdoor 200m time; 1.1s added to outdoor 400m time). The fastest/top sections must have validated seeds or correctly converted performances. **Performances achieved in competitions that do not appear on Athletics Canada rankings will also be accepted on a case-by-case basis. Proof of performance (link to posted results) must be sent to Randolph Fajardo randolphfajardo@athleticsontario.ca.**

If using converted times, please indicate where and when the performance was achieved when entering the seed into Trackie. Please also email this information to randolphfajardo@athleticsontario.ca to expedite seed validations. Any seeds that fail to produce validation of the performance will result in a NT. Seeds for field events do not need to be converted or verified. As a guide for coaches who need to decide which performance to submit for seeding purposes, please see the conversion chart on this page and the following page.

.... seed time and conversion regulations continue next page

Example:

Event	x	Category
1500m		U18
Seed <input checked="" type="checkbox"/> Verify Seed ?	Location / Date	
4 : 38 . 00	Mile 5:01 CONV	/ https://athleticsontario

Use the conversion factors below. It is discouraged to convert more than once. For example, converting a 1500m performance to a 3000m performance requires two conversions, 1500m > 2000m > 3000.

Performances from similar events will be accepted and will be converted:

Event	Acceptable Alternatives for Seed Purposes
60m	50m indoors; 100m outdoors
150m	200m indoors; 200m outdoors
200m	150m or 300m indoors; 150m, 200m, or 300m outdoors
300m	200m or 400m indoors or outdoors
400m	300m or 600m indoors or outdoors
800m	600m or 1000m indoors or outdoors
1200m	800m, 1000m, 1500m indoors or outdoors
1500m	800m, 1200m, or 2000m indoors or outdoors
2000m	1500m or 3000m indoors or outdoors
3000m	2000m indoors or outdoors
60mh	50mh indoors or outdoors

Initially if using outdoor performances do the following operations:

<u>Outdoor Event</u>	<u>Convert Outdoor Time to Indoor</u>

200m	add 0.50s
300m	add 0.80s

1200m	add 3.50s
1500m	add 3.90s
2000m	add 4.58s
3000m	add 5.90s

Then do the following calculations:

<u>Convert:</u>	<u>Calculation:</u>
50m to 60m:	50m time x 1.158
100m outdoors to 60m:	100m time x 0.68
150 to 200m:	150m time x 1.369
200m to 150m:	200m time x 0.731
200m to 300m:	200m time x 1.597
300m to 200m:	300m time x 0.6261

600m to 800m:	600m time in sec. x 1.435
800m to 1200m:	800m time in sec. x 1.645

.... conversion continues next page

800m to 1500m:	800m time in sec. x 2.0588
1000m to 800m:	1000m time in sec. x 0.7654
1200m to 1500m:	1200m time in sec. x 1.2747
1500m to 1200m:	1500m time in sec. x 0.7845
1500m to 2000m:	1500m time in sec. x 1.3921
