Quest For Gold Committee Nominations

Athletics Ontario

Athletics Ontario is a non-profit member-based provincial sports organization supporting the development, promotion and competent delivery of programs and competitions in athletics for the participant's enjoyment of the sport, contributing to the health, fitness, social development and well-being of all participants.

It is our mandate to promote the sport of athletics as well as the physical, emotional and mental well-being of all our members and participants. Supporting and assisting athletes in their development, providing athlete-center recreational and competitive programs as well as providing development opportunities for coaches and officials.

Seeking Quest For Gold Committee Members

Athletics Ontario is currently seeking 1-3 energetic and caring professionals to join our Quest For Gold committee. The Quest For Gold Committee recognizes the importance of honouring athletic excellence in the province of Ontario. Athletes are selected based on their performance to become carded athletes to receive additional support from the sport's governing body and its' partners.

The Committee has the authority to advise the Board. As such, the Committee reviews, updates and tracks Ontario athletes' performances as it related to the outlined criteria for Athletics Ontario and the Ministry of Tourism, Culture and Sport.
