AO Web site

Many of you may have noticed the new look to the AO web site. You are encouraged to visit on a regular basis to check out the latest AO news, event listings, and, of course, to review our upgrading materials. All the information needed to pursue upgrading is on the Officials' page – our Upgrading Requirements, the Level One Report, the Provincial Mentoring Report, AOO Upgrading Applications, and NOC Upgrading Criteria and forms. If you have any questions about any of the material, please let me know.

You should also review the *"AO Officials by Discipline and Level"* on the Officials Administration tab. It is updated each month when upgrading takes place. Please let me know if you have any concerns or questions about how you are listed.

In conclusion...

2016-2017 will be my sixth year serving on the AOO Executive Committee. It has been a great experience working with so many passionate and committed individuals within the Athletics Ontario community, and I thank each of you. This will be my last term on the Executive, and I invite anyone who might be interested in running for the position of Director of Seminars and Upgrading at next year's AGM to talk to me about the role.

Respectfully submitted,

Jacque Downing
Director of Seminars and Upgrading
