

AOOEC Vice Chair - AGM Report 2016

The prime role of the Vice-Chair is to step in when the Chair is unable to perform his duties. Thankfully, our Chair has again this year has done a masterful job and has not needed my assistance. Well done, Peter.

I was a part of all but one executive conference calls during the year.

This year, registration of officials was done on-line and looked after by the AO office. In 2016, according to the web site, we increased our membership by two over 2015, to 153, which was interesting as there is usually a slight drop-off following a year of high level meets.

I have continued, with the help of officials with expertise in track to update the Introductory Clinic that is currently being used for new officials and those needing a clinic at Level Two.

I have enjoyed being a part of the Athletics Ontario Officials' Executive Council this past year and look forward to continuing to serve AOO in 2017, if it is the will of the Athletic Ontario Officials.

Sincerely,

Tim Slocombe, AOOEC Vice-Chair
