

# AOOEC AGM 2020: REPORTS

## DIRECTOR OF AWARDS AND INCENTIVES

My first year in this role has been a quiet one. With the assistance of Sherry Purdie and Jacquie Downing, incentives were distributed to officials who upgraded to Levels 1, 2 and 3. For those who have not yet received theirs, I am working to get these to you before the end of the year.

Athletics Ontario has purchased face masks for registered officials. These, along with the AC service pins will be available in December and will be distributed by Lynn McFerran (Brampton/Mississauga), Sherry Purdie (Windsor Region), Laura Houston (Ottawa) and myself (Toronto). Others will be mailed theirs or will be available at local meets where possible.

### **AC Milestones / Ontario Volunteer Service Award**

As is customary, submissions for the provincial service award were made for those who reached their milestones last year. With some rezoning of the regions, myself and Sherry were able to submit all those who qualified. Because of the restrictions on public gatherings, there were no award ceremonies this year. You will be contacted once these are scheduled.

I would like to remind all that your AO registration must be current to be eligible for this award. Only officials with no break in registration qualify.

Congratulations to the following officials celebrating their milestones in 2020:
