

# AOO AGM 2021: REPORTS

## DIRECTOR OF AWARDS AND INCENTIVES

### Upgrading Incentives

I continue to support Phil, procuring and distributing incentives to those officials who have upgraded to Levels 1, 2 and 3 during 2021. Except for a late L 1 upgrade, all incentives were issued.

### Meet Attendance

With the back-to-back-to-back summer schedule this year, we would like to recognize those who officiated at least 4 of the 5 championship meets.

### AC Milestones / Ontario Volunteer Service Award

Congratulations to the officials celebrating their milestones in 2021:

The OVS submissions will be done in January. A reminder to all that your AO registration must be current to be eligible for this award. Only officials with no break in registration qualify.
